January 20, 2021

Dear Community Member,

The American Nystagmus Network (ANN) is a national 501(c)(3) organization. Our mission is to improve the quality of life for all persons and families affected by nystagmus, through organized community support, education, and public awareness. Nystagmus is a vision impairment that affects 1 in 2000 people.

The American Nystagmus Network conference will be from July 23 to 25, 2021. This year the ANN conference will have an online format. The weekend will provide an opportunity for people with nystagmus to meet other people affected by nystagmus, learn about the latest treatments, provide emotional support, and learn about new nystagmus research.

We are asking for your help in multiple ways:

- Consider sponsoring our upcoming on-line conference. (July 23-25, 2021). An overview of sponsorship levels can be found on the attached pages.
- Provide an in-kind donation for us to use in the participant registration boxes. (1000 registrants)
- Provide an in-kind donation for us to use as an on-line silent auction item.

If you have any questions, please feel free to give us a call or send us an email. We look forward to hearing from you and working with you in the future. Thank you for your support of the nystagmus community.

Yours Sincerely,

Evelyn Gonzalez
ANN Vice-President
